1 The commons!

[The Commons](#) is Memorial University Memorial University's student learning hub, located on the main floor of the Queen Elizabeth II Library. We are your one-stop shop for research, writing, and computing support.

2 Hello World!

Hello World I am your creator!

3 Python code for the weather!

```python
def is_true(rain):
return (rain =="Yes")
def weather(rain):
if is_true(rain):
print rain, "it is raining!."
print rain, "it is cold."
weather("Yes")
weather("Yes")
```

Good Bye!
